Why should YOU BUY A BRICK?

Louisiana Purchase 1803 2003 BICENTENNIAL www.LouisianaPurchase2003.com

LOUISIANA PURCHASE Gardens & ZOO is dedicated to conservation of all animals, especially our indigenous species.

We are also committed to education. We join in a partnership with local schools to educate our children about animals and how important they are to all of us. An exhibit of this nature, displaying creatures originally found within the Louisiana Purchase, brings you and your children close to these animals in a naturalistic setting that will be a permanent part of your zoo. Your brick at the entrance to this exhibit will welcome visitors to one of the most exciting attractions in north Louisiana.

What a terrific opportunity this is to honor someone, the birth of a child, a special birthday or anniversary gift, a memorial or to show the support your family, your business, your school, church or organization.

Please take a moment to fill out the form below and return it with your check or money order, or credit card information. Show that YOU want to help support your zoo with your generous, tax deductible donation.
